

## **We are excited to offer three scholarships totaling over \$10,000!**

NorthBridge was founded on the principle that college-age young adults with learning differences can excel in postsecondary education with specialized and individualized support.

NorthBridge provides students with a multi-layered support system that focuses on both academic success and personal development. The NorthBridge program includes:

- Individualized guidance/enrollment advisement
- Weekly academic support sessions
- Mentoring/Skill development sessions
- Student success workshops
- Coordinated social events

For more information about our program please see our website [NorthBridgeaz.org](http://NorthBridgeaz.org) or for questions regarding the scholarship, contact Jason Moore at [jmoore@northbridgeaz.org](mailto:jmoore@northbridgeaz.org).

We hope to have the opportunity to work with you in the future!

NorthBridge is committed to our mission of providing support, resources and guidance to postsecondary students with learning differences as they transition to, persist and succeed in higher educational and vocational opportunities.
