

# Accuplacer Ready at Franklin HS

- Goal
  - Determine if a short Accuplacer preparation program can increase Accuplacer scores allowing students to avoid 1 or more developmental courses.
- Test Group
  - 20 Phoenix College bound Franklin HS students
- Program
  - Students took an initial Accuplacer at Franklin HS
  - NorthBridge staff delivered five, 50 minute Accuplacer Ready Workshops consisting of:
    - Accuplacer specific test taking strategies
    - Skill & Concept reviews (reading, writing, arithmetic and algebra)
    - Accuplacer Ready Workbook and Accuplacer App
  - 15 students re-tested at Franklin HS

# Accuplacer Ready at Franklin HS

- Summary Results
  - 87% or 13 of 15 students with Accuplacer Test Scores to compare tested out of at least 1 developmental course.
  - 27% or 4 of 15 students tested out of 2 or more developmental courses.
  - A total of 19 developmental courses were avoided.
    - 3 English Courses
    - 7 Reading Courses
    - 9 Math Courses
  - Savings of Time and Money
    - 855 hours of seat time
    - \$4,959 in tuition
- Conclusion
  - A short Accuplacer preparation program, like Accuplacer Ready, can help students avoid developmental courses.
